

Luka Bloom, Rainbow Warrior

Warriors of the Rainbow
Are answering the call
They go to where the dust will rise again
Dust will rise again and fall

Leave Polynesia alone
Polynesia, leave her alone
Leave Polynesia alone

Mon ami Francais
Ecout s'il vous plait
J'apprend a parler Francais pour dire
Votre bomb non merci
Votre poison non merci
Ecout s'il vous plait

Warriors of the rainbow
Are answering the call
They go to where the dust will rise again
Dust will rise again and fall

Polynesia, leave her alone

Fernando Perreira gave his life to the sea
His spirit is calling out to you
To you and to me

Polynesia, leave her alone...
