

# Lukas Graham, Wish You Were Here (feat. Khalid)

I wish you were here  
Yeah, I, wish you were here  
After all this time and all these years  
I, I, wish you were here  
Yeah, I've had my share of friends that come and go (that come and go)  
Seems they don't make 'em like they made you anymore (anymore)  
All these places, all these faces, still alone  
It only helps to grow, tell you 'bout it when I'm home  
'Cause I'm out here without you (yeah, I'm out here, I'm out here without you)  
Doing all of the things that we said we'd do  
And life don't have a re-do  
No one else in the world could ever be you  
All I'm saying is  
I wish you were here  
Yeah, I, wish you were here  
After all this time and all these years  
Oh, I, wish you were here  
Oh-oh, I-I  
I wish you were here  
Yeah, I, wish you were here (oh, yeah, oh, yeah)  
After all this time and all these years (these years)  
Oh, I, wish you were here  
It could be the way it was  
The way it was way back when  
Way before crazy began  
I got you right here with me (with me)  
Here in my memories  
I know I'm gonna see you again  
(I'm gonna see you again)  
'Cause I'm out here without you (yeah, I'm out here, I'm out here without you)  
Doing all of the things that we said we'd do  
And life don't have a re-do  
No one else in the world could ever be you  
All I'm saying is  
I wish you were here  
Yeah, I, wish you were here  
After all this time and all these years (these years)  
Oh, I, wish you were here  
Oh-oh, I-I  
I wish you were here  
Yeah, I, wish you were here (hey-hey, hey)  
After all this time and all these years (after all these years)  
Oh, I, wish you were here  
After all this time and all these years  
Oh, I, wish you were here
