

# Lukas Rossi, Headspin

All I wanna say  
Is your the satellite in my life  
Lost inside your eyes  
The vision never dies... oh  
Oh Just take my hand  
We'll float in never land

Then I hear you say  
Let's live for the moment this time  
Why don't you just make up your mind

You make my head spin  
You make my head spin  
Why, why do you..

You make my head spin  
You make my head spin  
Why, why..

You love to build me up  
Just to tear me down  
(oh but why)  
Wouldn't it be nice  
If we find paradise someday..

Then I hear you say  
Let's live for the moment this time  
Why don't you just make up your mind

You make my head spin  
You make my head spin

Why, why do you?

You make my head spin  
You make my head spin  
Why, why

Did I hear you say  
You wanna be alone  
Was it some mistake  
How would we ever know

I can hear you scream at me  
Scream at me..

I'm not perfect  
I'm not perfect  
No one is  
I'm not perfect  
I'm not perfect!  
No!

You make my head spin  
You make my head spin  
Why, why do you?

You make my head spin  
You make my head spin

Did I ever mean something..  
Did I ever mean something to you?
