

# Luke, Bust A Nut

(feat. The Notorious B.I.G)

[Luke]

Muthafucka, sometimes, you feel like a nut

[Biggie]

That's what you do  
What we got here, uh, check it out  
Here's another one, uh, uh  
By the Notorious B.I.G.  
Head, head, and mo' head  
Representing for the bitches  
Head, head and mo' head  
Check it out, check it out now, what  
Check it out, check it out now  
Check it out, check it out now, uh, uh

[Biggie]

I got a bitch that suck my dick 'til I nut  
Spit it on my gut and slurp that shit back up  
Ain't that a slut, (Hell yeah) she even take it in the butt  
Fuck for about an hour, now she want a golden shower  
You didn't know that we be pissing on hoes, bitch  
Luke and Biggie straight shitting on hoes, bitch  
Lick your toes bitch, fuck no, you must be crazy  
Squirt in your face and then I'm swayze  
Recognize G, straight up, I can't knock ya  
After Big Poppa, fuck all of Junior M.A.F.I.A.  
The whole clique, dick sucked, ass licked  
Leave your number by the phone, bring your ass on home  
I roam in Lexuses and Benzes, the fly way  
With the flyest bitch getting head on the highway  
My way, deep throat on Luke's boat  
When the moon rises, I'm cuming in her eyes-es  
Just the way playas play  
Leave it up to me, I get fucked all day  
Sucked all day, smoking blunts, counting cheese  
Fucking bitches 'til they assholes bleed  
What you say ba-by

[CHORUS:]

[Luke]

Sometimes Biggie Smalls like busting nuts,  
Sometimes Biggie Smalls like getting guts  
Sometimes yours truely like busting nuts,  
Sometimes yours truely like getting guts

[Luke]

I gotta fuck her in the butt snatch (Yeah!)  
I gotta fuck her in her muthafucking pussy (Yeah!)  
I gotta fuck her doggie-style now (Yeah!)

But I tell you what I, I, I owe her one  
All the fellas in the house say this, "This head is so damn good"  
Tell them hoes (This head is so damn good)  
Now all the ladies in the house say, "This pussy it taste so damn good"  
Tell them niggas (This pussy it taste so damn good)  
Now all the fellas in the house say, say, "This dick it taste so damn good"  
Tell them hoes (This dick it taste so damn good)

[CHORUS]

[Biggie]

Biggie bag bitches from barbecues to Barmitzvah's  
The Big don't fit, use your lips 'cause  
I'm feeling kinda itchy for a quicky  
Don't take off your coat, all you got to do is lick me  
Me eat you, I beat you, then greet you to the door,  
Bitch, 'cause I don't love you no more  
Which one of these hoers in the lobby wanna slob me  
You know me, I like my dick brown like Bobby  
In the duke shoot, then the bitch get the boot  
Unless you lick ass and blow dicks like flutes  
I like'em cute, round tits and fat asses  
Educated, so I can bust off on they glasses  
I wanna cum on your tongue and gums, all night  
The bitch drink nuts by the pint

[Luke]
