

Luke Hemmings, Baby Blue

Cool, baby blue
Drown in my eyes so it seems
But I don't wanna dive too deep
Or I'm
Never comin back, never comin back

Lungs fill with smoke
Letting my head fill with dreams
I'm hiding in a living sleep
And I'm
Never comin back, never comin back

I am on my way to Wonderland
Take off my suit and Wander in
For a moment
Or stay for a lifetime
I am on my way to Wonderland
Take off my suit and Wander in
For a moment
Or stay for a lifetime

Cool baby blue
Tell me what i am gonna be
I am livin in the inbetween
And i am
Never gonna last /2x

I don;t wanna hear
I don't wanna stay
I dont wanna feel it
Take it all away
I am
Still teh same kid that i used to be
I am running form everythng

I am on my way to Wonderland
Take off my suit and Wander in
For a moment
Or stay for a lifetime
I am on my way to Wonderland
Take off my suit and Wander in
For a moment
Or stay for a lifetime
