

Luke James, I.O.U.

Since the beginning, your love was always given
And just like my favorite wine,
you's better after time, oh yeah
Baby I want this forever, never in
How come is that I was the ...
You give me a reason to live my
Won't find nothing better in this life
Everytime I needed you
You always knew the right thing to do, uhu, yeah
I'll owe you forever,
I'll owe you forever

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For all the love you give to me
How could I ever repay
I owe you, I owe you,
I owe you

Honey dipped kisses, you grant all my wishes
You rescued me in everytime
You saved my life

Baby ain't nobody else in my vision
Open up to you is my mission
You give me a reason to live right
Won't find nothing better in this life
And when the rain was pouring down
You came and cleared my grey clouds
I'll owe you forever,
I'll owe you forever

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For all the love you give to me
How could I ever repay
I owe you, I owe you,
I owe you

I'm forever in debt
Couldn't have done it without your help
I love you and don't you forget
Baby even more than I love myself
Baby everything we've been through
There's nothing that I just won't do
Cause I owe you, I owe you

For all the love you give to me
How could I ever repay
I owe you, I owe you, forever
For all the love you give to me
How could I ever repay
I owe you, I owe you,
I owe you.
