

Lullacry, Pitch Black Emotions

For better or worse
It doesn't matter why
Cuz I broke my wings before I learned to fly

Like a sinner to a flame
I was drawn to you
And I felt like I was running out of time with you

All of my life's like in slow motion
No need to hide my pitch black emotions

And I don't care
For what you say
Cuz the only reply I have is fuck you anyway

Like a sinner to a flame
I was drawn to you
And I felt like I was running out of time with you

All of my life's like in slow motion
No need to hide my pitch black emotions
