

# Luly, Madness

You said I'm strong  
I'm higher than the sky  
And maybe you're not wrong  
I've stolen forgotten stars  
People say you're the loser  
Then not for sale  
Coz baby, people only fade  
But in this room  
Our fairytales and I  
Are maybe true

So don't ask me why I'm happy  
Thou I'm still alone  
I've never dreamt about you  
Only warless mind  
So don't ask me why I'm still so happy  
Coz every breath is new  
I've never met someone like you

You said I'm strong  
I'm higher than the sky  
And maybe you're not wrong  
I've stolen forgotten hearts

You said I'm strong  
I'm higher than the sky  
And maybe you're not wrong  
I've stolen forgotten stars  
People say you're the loser  
Then not for sale  
Coz baby, people only fade  
But in this room  
Our fairytales and I  
Are maybe true

So don't ask me why I'm happy  
Thou I'm still alone  
I've never dreamt about you  
Only warless mind  
So don't ask me why I'm still so happy  
Coz every breath is new  
I've never met someone like you

I need you so  
To realize I, I, I learn to fly

So don't ask me why I'm happy  
Thou I'm still alone  
I've never dreamt about you  
Only warless mind  
So don't ask me why I'm still so happy  
Coz every breath is new  
I've never met someone like yo
