

Lumidee, Amazed

Every time our eyes meet
This feeling inside me
Is so much more than I can take
Baby when you touch me
I can feel how much you love me
And it just blows me away
I've never been this close
To anyone, or anything
I can hear your thoughts
I can see your dreams

I don't know how you do what you do
I'm so in love with you
It just keeps getting better
I want to spend the rest of my life
With you by my side, forever and ever
Every little thing that you do
Baby I'm amazed by you
(every little thing that you do, baby i'm amazed by you)

From the day we first met (oh my god)
I knew you were heaven sent
You my love I can't forget
You will love until the end
From the way you hold me
Your body controls me
Every little thing you do
Baby I'm amazed by you

I don't know how you do what you do
I'm so in love with you
It just keeps getting better
I want to spend the rest of my life
With you by my side, forever and ever
Every little thing that you do
Baby I'm amazed by you

The smell of your skin
The taste of your kiss
Ehen you whisper in the dark
The air all around me
Baby it surrounds me
Touch every place in my heart
Oh and it feels like the first time, everytime
I want to spend my whole life
Looking in your eyes

I don't know how you do what you do
I'm so in love with you
It just keeps getting better
I want to spend the rest of my life
With you by my side, forever and ever
Every little thing that you do
Baby I'm amazed by you

Every little thing that you do
Baby I'm amazed by you
