

Lumidee, Me And You

(1st Verse:)

Could neva except reality in which I was presented livin this crazy life for real could make a gurl da
hands and knees prayin to God for things to change but every single day it seems like things will st
is for the worse cuz times I feel my lifes serearth but whose to blame infortations multipule bodies f
your whole life fade away playin this world like its a game when im wit you I feel no pain now tell m

(Chorus:)

Can I hold you down how it all so ground cuz there not much I would do to keep you by my side its
all that can keep me strong but i'll hold that from you until you tell me what we have is true.(2x)

(2nd Verse:)

Sometimes when I think of all the things i've been thru I wanna take myself but then I think of you if
this world that I'd
rather do then to live and die or if its to be wit you and even though I show you love your still a lone
when we share are dreams still it ain't enough is it me do I not reach your thoughts and when you g
you talk (about me) because you know all I do is think about of you do I love you aint no way cuz y
cuz I live for you cry for you lie for you kill for you and on da real die for you every night before I lay
get home safe and I cant think straight if I dont kno you Ok I wanna love you wanna hold you wann
cant you see you are my issue

(Chorus: 2x)

(Bridge:)

We outta chase my betta dreams cuz I can see much bigger things with you Imagine me and you. (

(3rd Verse:)

Imagine me and you against the world aint no one that will go all night just boy and gurl together w
aint all fun but thats life we live in wont take what its given .
