Luna, Goodbye

i've seen her face in those scented magazines all is forgivin' i love her still and we're home, home goin' home the chrysler building was talkin' to the empire state the twin towers were talkin' to each other sayin' all is forgivin' i love you still and we're home, home goin' home what she saw in him nobody knew it's a mystery what she saw in him nobody could tell now it's history all is forgivin' i love her still and we're home, home goin' home and we're home, home goin' home and we're home, home goin' home
