

Luna Halo, Haunted

Sometimes I just don't know who I am
This time I've given all I can

And I feel so unwanted
And I feel like I'm haunted

Let me fall into your arms, your arms of love

Sometimes you make me doubt who I am
This time you think you broke me down

And I feel so unwanted
And I feel like I'm haunted

Let me fall into your arms,
Your arms of love, love, love, yeah

And I feel so unwanted
And I feel like I'm haunted
yeah
