

# Luna Halo, Running Away

When did I become so weak  
When did I give up this fight  
And I do wrong so easily  
When all I want to do is right

And so I'm running away  
From these things  
That leave me so full of pain  
'Cause they could never satisfy me  
So I'm running away  
From these things  
That leave me feeling afraid  
And, God, I need You here beside me

And there is nothing I could do  
To change the course of my whole life  
But if I fix my eyes on You  
You tell me I will be alright
