

# Luna, Time To Quit

sweet obscenity  
bring her back to me  
lost in her perfume  
think i'm gonna sue  
sweet obscenity  
didn't i know it  
didn't i call her name  
stale cigarettes  
crumble in your fingers  
caught with a drink in my hand  
edging to the door  
sweet obscenity  
didn't i know it  
didn't i call her name  
tiger lily girl  
standin' cross-eyed in the corner  
tiger lily girl  
standin' tongue tied in the corner  
somethin' in her eye  
tells that i should try  
somethin' she might say  
tells right away  
somethin' in her eye  
didn't i know it  
didn't i call her name  
tiger lily girl  
standin' cross-eyed in the corner  
tiger lily girl  
standin' tongue tied in the corner
