

Lunachicks, Ring Run

Comin up to your door
Ie never seen you before
Wee gonna have a little fun
In Brooklyn playing Ring and Run

Ring and Run Ring and Run
Ring and Run Ring and Run

On Avenue U buying records just a few
Doorbells crying out on me
I gotta ring m just to see

Ring and Run Ring and Run
Ring and Run Ring and Run

Got nowhere I gotta go
So I ring 5 in a row
Intercoms all say "Hello";

Take my time to pick it out
Laughing as we ran about
Knocking over garbage cans
Ain got no future plans but

Ring and Run Ring and Run
Ring and Run Ring and Run

Got nowhere I gotta go
So I ring 5 in a row
Intercoms all say "Hello";

Comin up to your door
Ie never seen you before
Wee gonna have a little fun
In Brooklyn playing Ring and Run

Ring and Run Ring and Run
Ring and Run Ring and Run
Ring and Run Ring and Run
Ring and Run Ring and Run
Ring and Run Ring and Run
