

Lunachicks, Terror Firmer

We're all goin down!

Hey Casey where you're goin with that gun in you hand?
I heard you shot a lad insane in a white riot of white light and white heat
You got your whips and furs and you're a warrior in tromaville
Well I don't wanna be in your crazy dungeon cuz that's where they all fall

You're all goin down! You're all goin down!
You're all goin down! You're all goin down!
And I'm going too!

Are they all lost for life or just in trauma zone?
You may wonder but on their plunder it's a terrifying ride, yeah
Everybody's burnt and keep forgetting to watch their backs oh no!
Breasts are explodin and guns are reloadin and it's gonna be a big blood bath!

You're all goin down! You're all goin down!
You're all goin down! You're all goin down!
And I'm going too! And I'm going too!
And I'm going too! And I'm going too!

Run for life Casey's got a knife SGT
Kabuki man, toxic avenger, fish man you better live fast
Cuz erveybody's goin down
And I'm going too!
