

Lunachicks, Wing Chung

She looks like a boy
But she's really a girl
Kick your ass
Make your straight hair curl
She got the soya beancurd
And won't give it up for free
So don't mess with her factory!

Everybody's gonna Wing Chung tonite!
Better run for cover when she stays in sight
Everybody's gonna Wing Chung tonite!
She's the one who's gonna win the fight!

She light you on fire when she's flyin through the air
Fights with sticks and swords and her hands all bare
She'll kick your ass cuz she has no fear

Wing Chung!
She's always the winner
Wing Chung!
She'll make a tofu dinner
Wing Chung!
She may be mean
Wing Chung!
She's a Kung Fu queen!

Everybody's gonna Wing Chung tonite!
Better run for cover when she stays in sight
Everybody's gonna Wing Chung tonite!
She's the one who's gonna win the fight!

There's a big show down between her and the guys
She chops with her arms head lockd with her thighs
You may be worried but to your suprise
She swats them out like annoying little flies

Everybody's gonna Wing Chung tonite!
Better run for cover when she stays in sight
Everybody's gonna Wing Chung tonite!
She's the one who's gonna win the fight!
