

Lunachicks, Yeah

Yeah

If you wanna watch a movie

And eat some popcorn

I'll say yeah

If you wanna go for a ride

I love to go real fast, oh

I like it sour

I like it sweet

I like it hot

I like it cold

I like it new

I like it old

I like it inside

I like it in the street

And if you just wanna hang out

And if you wanna dance inside

And if you wanna do something

Or if you wanna do nothing

And if you wanna be happy

And if you wanna just say yeah

If you wanna eat some candy

Well I got plenty right here, yeah
