

# Lunar, Lunar Theme

In your dreams  
magical thoughts...  
All things are real  
unless you dream they're not.

In you dreams,  
love is the plot...  
carried on wings of hope

Each of our souls  
interwine, when we do.

Instantly we see it  
the time time to grow and be it  
when everything is pinned on a hope.

Let rise the dreams of your heart,  
that innocent youth  
careless and kind.

Free to roam the breeze in love  
only when two  
brilliantly shine as one...
