

# Lunarin, Absolution (Director's Remix)

Forces  
Pinnacle  
Centers  
Around you

You said  
Shut your mouth  
Words cant unbound you

Will you pay the ransom?  
Will you pay the ransom?

Draw me to your shadow  
And down by the woods we'll  
And down by the woods we'll  
Bleed

If I had half the time with you  
Will you survive me?

If I had half the words to say  
Will you believe me?

If I had half the tears to cry  
Will you undress me?

And if I had half the strength the breathe  
What would you do?

But I'm still alive  
I'm still alive

Draw me to your shadow  
And down by the woods we'll  
And down by the woods we'll  
Bleed

Draw me to your shadow  
And down by the woods we'll  
And down by the woods we'll  
Bleed
