

# Lunatic Soul, The Fountain

On this side of awakening  
I no longer wait for you to come  
Not this time  
Maybe later  
In a navy-blue world

Summertime  
A perfect moment  
I will give myself another try  
Sun rays break through the branches  
Ancient sacrifice

Silence breaks apart  
Brightness comes to life  
Stream of sound  
Wash away the darkness from my soul
