

Lunatic Soul, The Passage (from Through Shade

the trial has just begin
i know it
you are my destiny
the final story
sun is running down
you're waiting in the other side
in the forrest
in the dark
i will find you
when i close my eyes

oh, my tango drown
i want it
finding entrance
begin my ...
i think outloud
as a forrest ...
am i in the real life
or am i on ... beiefe?

(...)

will you find The Passage to the light
will you find The Passage to the light
will you find The Passage to the light
