

# Lunatica, Worlds Unleashed

Once in a lifetime you'll reach a point  
Where being a slave is no longer enough  
Now the time has come to break your chains  
Speak your mind, go straight ahead

Chorus:

Feel free to speak, don't deny yourself  
The rights you have got  
See that the life you've been leading is wrong  
Unleash these words  
Career and politeness are like a cage  
For a long time you've thrown away your life  
Take whatever you need, don't lose your faith  
Terminate the times of diplomacy

Chorus

Unleash these words and live
