

# Lunik, Backup

I just went through a hard time  
weeks and month in blue  
now I'm feeling better  
so I need to thank you  
'cause you give me strength  
and honestly I think  
I wouldn't have made it without you

I felt secure 'cause I knew  
you were there for me  
and if I drank too much  
you said let it be  
and if I called you anytime  
I knew you'd pick up the phone

you bear my bad moods till the end  
and I want you to know  
you're my best friend  
thank you  
it feels so right  
to know you're on my side

I know I was repeating  
a hundred times or more  
the same stuff and you listened  
you never got bored  
sometimes we just sat  
in silence and even then  
I felt you understood

you bear my bad moods till the end  
and I want you to know  
you're my best friend  
thank you  
it feels so right  
to know you're on my side

if you ever need  
somebody by your side  
if you're feeling lonely  
don't hesitate to call me  
I will run  
'cause we all need some backup

you bear my bad moods till the end  
and I want you to know  
you're my best friend  
you share my troubles till the end  
when everybody is leaving  
you stay, you comprehend  
thank you  
it feels so right  
to know you're on my side
