

Lupe Fiasco, Baba Says Cool For Thought

They thought it was cool to burn crosses in your front lawn as they hung you from trees in your back
They thought it was cool to leave you thirsty and stranded, Katrina.
He thought it was cool to carry a gun in his classroom and open fire, Virginia Tech columbine, Stop
They thought it was cool to tear down the projects and put up million dollar condos, Gentrification.
They think it's cool to stand on the block hiding products in their socks making quick dime bag dolla
They think it's cool to to ride down on you in blue and white unmarked cars, bustin you upside yo h
Freeze....cause the problem is we think its cool too.
Check your ingredients, before you overdose, on the cool.
