I'm cool, I'm cool  
It's all representative  
All me  
No go slow 16-bit like SEGA Genesis  
Archie ball on the ball Soundtrakk, on the track Gemini, on the job Shayla G,  
on the g, Sarah Green for the green Free Chilly, and I'm back on my thing for the listeners  
What you are about to witness is  
Lu new valuable album two (The Cool)  
Get ready for the ghetto ghetto images  
From the M-A-D-I to the S to the O-N  
Potent, to get you open  
Move like a nigga supposed to  
Get your dough on the go with the flow  
That I'm holdin'

[x4] I got my go go go go go go go go go go gadget flow

Love, got the Windy City on my back  
So I'm back on my grizzly like a bearskin rug  
Pistol layin' on the floor blame it on the gold  
Little rapper turn it out 'cause I'm very pluh  
I convert I can work anywhere in the world you can ask my brother Hug  
He'll concur that I'm serious with the words to the man up above thank you very much  
That I got what I got and I'm at where I'm at like an A in a circle where they pay little Urkel  
What they say when they see little G from the F to the F to the amazing verbals  
They race in circles like they raisin' a gerbil  
I race in a circle like I'm raisin' a horse  
I'm racin' a Porsche while they racin' in place  
They race in a cage I race on a course (Course)  
That case in the court did not defer the dream  
I am still a raisin in the sun ragin' against the machine  
From the M-A-D-I to the S to the O-N  
Potent, to get you open  
Move like a nigga supposed to  
Get your dough on the go with the flow  
That I'm holdin'

Hey hey don't hate on me  
My tank on full your tank on E  
Look good on you look great on me  
'Cause I'ma go and never gon' S-T-O-P

Like hey hey I'm the boss  
Rock genuine time not De LaCoste  
Beyond clean in Fenom jeans  
Little rap Isaac Azimov

I let my mamma into rhymin' and she raised me off  
A 80s baby on fire like a safety off  
Got my hood ridin' high off 28s  
Off of everything thats gon' be like a 84  
And they in love with him and I'm in love with them  
And we never ride dubs again, no we won't  
Tryin' get a butter rim  
A little too short to dunk, so we donk  
From the M-A-D-I to the S to the O-N  
Potent to get you open  
Move like a nigga supposed to  
Get your dough on the go with the flow  
That I'm holdin'
