

Luther Vandross, How Deep Is Your Love

I know your eyes in the morning sun
I feel you touch me in the morning rain
and the moment that your far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
keep me warm in your love
then you softly leave

and its me you need to show
how deep is your love
i really mean to learn
how deep is your love
i really mean to learn

i believe in you
you know the door to my very soul
your the light in my deepest darkest hour
your my saviour when I fall

and you may not think I care for you
when you know down inside that I really do

And its me you need to show
how deep is your love
i really mean to learn
how deep is your love
i really mean to learn
how deep is your love
