

Luther Vandross, I Can Tell You That

I CAN TELL YOU THAT

Luther Vandross and Hubert Eaves, III
(album: POWER OF LOVE - 1991)

(Talk about love, talk about love)
(Talk about love, talk about love)
Love, love, love
(Talk about love, talk about love) Alright
Love, love, love
(Talk about love, talk about love)

Verse I:

One day I'll always remember
Was when you walked into my life
It was a very special night
When we danced so close, so tender
It gave my heart the second chance
That I'd been waiting for

Verse I B:

Our love is falling
All kinds of pressure has temptation calling
It gives me fever
But no matter what, I ain't gonna leave you
I'm gonna stay 'til the last day
Worry no more, what is love for
I hear love knocking honey
Come on, open the door

Chorus:

You know you've got me to love
I can tell you that
If you ever should need some love
You just call me back
I've been loving you for the start
Let me tell you that
And I'll keep loving you from my heart
Sure can tell you that
You've got so much (To love)

Verse II:

Every time that we kiss
I'm reminded it's you I miss
I just love it when we love like this
I can tell you that
Please forgive me if I pout
But my world would turn inside out
If on leaving me, you insist
Let me tell you that

Verse II B:

I start to hold you, but you pull back not much just a little
I can't control you
When you get so caught up in the middle
First you say yes, then you say no
Said you're gonna stay, now you're gonna go
You know I'll tell you honey
But I think you already know

Repeat Chorus

Bridge:

I can you this
Anytime you go I really miss you

Nothing to do, tired of my friends
Won't you come back and love me again
So I can tell you that
You've got me forever girl to love

Repeat Verse I B

Repeat Chorus
