

# Luther Vandross, If Only For One Night

Let me hold you tight  
If only for one night  
Let me keep you near  
To ease away your fear  
It would be so nice  
If only for one night

I won't tell a soul  
No one has to know  
If you want to be totally discreet  
I'll be at your side  
If only for one night

Your eyes say things i never hear from you  
And my knees are shakin too  
But i'm willin to go thru  
I must be crazy  
Standin in this place  
But i'm feeling no disgrace

For asking.....

Let me hold you tight  
If only for one night  
Let me keep you near  
To ease away your fear  
It would be so nice  
If only for one night

I tell you what i need is  
One night, one night oh (and oh, oh)  
What i need is  
One night, one night  
Of your love, of you love, of your lovin ooh  
I'm asking...

Let me take you home  
To keep you safe and warm  
Till the early dawn  
Warms up to the sun  
It would be so nice if only for one night

If only for one night  
If only for one night  
If only for one night, night, night, yeah one night  
If only for one.....night
