

Luther Vandross, The One Who Holds My Heart

I thought that some time alone, was what we really needed.
You said this time would hurt more than it helps, but I couldn't see it.
I thought it was the end of a beautiful story.
And so I left the one I love, at home to be alone, Ooo Ohh
And I tried and find out this one thing is true that I'm nothing without you,
I know better now and I've had a change of heart.

Chorus:

I'd rather had bad times with you, then good times with someone else.
I'd rather beside you in a storm, then safe and warm by myself
I'd rather have hard times together, than to have it easy apart.
I'd rather have the one who holds my heart, oOooO yeh.
And then I met someone and thought that she could replace you.
We got along just fine, but wasted time because she was not you.
We had a lot of fun, though we knew we were faking
love was not impressed with our connection built on lies, on lies.
So I'm here cause I found this one thing is true, that I'm nothing without you,
I know better now and I've had a change of heart.

Chorus:

I'd rather had bad times with you, then goodtimes with someone else.
I'd rather beside you in a storm, then safe and warm by myself,
I'd rather have hard times together, than to have it easy apart.
I'd rather have the one who holds my heart, who holds my heart.
I can't blame you if you turn away from me, Like I've done you
I can only prove the things I've say with time, please be mine!

Chorus 2x

I'd Rather had bad times with you, then goodtimes with someone else.
I'd rather beside you in a storm, then safe and warm by myself
I'd rather have hard times together, than to have it easy apart.
I'd rather have the one who holds my heart.
I'd Rather have the one who holds my heart.
I'd Rather have the one who holds my heart....
WhoOo holds My HEART.
