

Luther Vandross, 'Til My Baby Comes Home

Theres a whole lot of girls
messin around
trying to get me

They do things cause they know
my girl is away
they try to upset me

They cant believe I resist
how can I hold out,
where is that girl now
but the truth really is
I dont worry cause I love you baby so, That...

[Chorus:]
No matter where my baby is
she never leaves me without love
She gives it up till I get enough
then Im alright
Til my baby comes home
if she stays away for long
she calls me on the phone
I jump up when I hear her voice
then Im alright
Til my baby comes home

I get weak in the knees
my hands start to shakin
head gets to achin
is she thinkin of me
or feelin the fire
with some other guy, yeah
I cant believe I can be
worried about her
I shouldnt doubt her
cause our thing is for real
and I dont worry
cause I know, I know, I know...

[Chorus]

Bring it on
Home to me
She makes everything alright, shes
good to me
Shes the best part of my life
cant you tell
That Im just like a new guy, Im doing
Very well
Cause I know shes coming back tonight

Every night when I sleep
I dream of my baby
Shes such a lady
Then I wake up and see
That shes laying by me
Right there beside me
I cant explain how I fell
I really love her, keep dreaming of her
Cause our love is for real
And I dont worry
Cause I know, I know, I know

[Chorus]
