Luti-Kriss, Light Blue Collar

A thousand men. Might fall down at my Right. A thousand more at my Left. I won't be touched. Your will, it will be done. I won't be Touched. Read them Their eyes. Read them their rights.

A thousand men. Might fall down at my right and left... I won't be touched. Read them their eyes. Read them their Rights. Terror in the eyes of my enemy.
