

Lutricia Mc Neal, The Greatest Love You'll Never

I'm living for a fantasy,
Something that will never be,
Cause all the love you had to give

It was never, never ment for me.

I see the way you look at her

She's everything you're living for.

And love is such a miracle

When it comes knocking at your door, but

I don't know what to do, I'm in love too.

Can't see where I'm supposed to go from here, oh

Chorus:

There's no way in, there's no way out

You're the one I'm living for

You're the one I have to live without.

I can't go on, oh

I can't let go

Cause I have found the greatest love,

The greatest love you'll never know.

I'd love to make you cross the line,

But I know you're not the hurting kind,
You wouldnt be the man you are if you broke her heart, broke her heart for mine,
So until I find my way

Tomorrow's just another day.

And you are just a lonely dream

That never ever seems to fade.

Someone hear my prayers

Someone somewhere

Cause I know I can't go on this way forever.

Chorus

Bridge:

I've never laughed, I've never cried

Our love can't live

But my love, my love will never die

Somebody hear my prayer, somebody hear my prayer

Somebody hear me, oooh

Chorus

I'm living for a fantasy, something that could never be
