

# Luxt, Life Is Pain

Are you alive?  
Are you alive?

It doesn't hurt, does it?  
It doesn't hurt, does it?  
It doesn't hurt, does it?  
Yes it hurts like a motherf\*\*ker

This ink is under my skin  
These metal holes in my flesh  
You ask me if it hurts  
I'm growling under my breath  
People get hurt, yes it sucks  
Some people trust and get f\*\*ked  
But where do you look for worth?  
In hard work or blind luck?  
Yes it hurts, f\*\*ker  
Yes it hurts f\*\*ker  
Yes it hurts  
And I love it like it was my mother  
Yes it hurts f\*\*ker  
Yes it hurts f\*\*ker  
Yes I'll take and I'll smile and ask you for another  
Life is pain  
Get used to it  
Take it all  
Feel it grind  
Use your pain  
Focus it  
Now you know  
You're alive

Are you alive?  
Are you alive?
