

LVMA BLACK (Magdalena Mielcarz), Summertime

come on play it
you wanna know my name
my name
you wanna got it
wear like a new chain
new chain

you think you the man
you gotta must have plan
so .. game
.. full of sex
looking for modern ..
you can't just buy me with champagne

come on closer
and talk a little naughty
coz tonight I am looking for nobody
cool me down
I have a Summertime Hobby
take a, take a time boy
take a, take a time boy
have my word, I never ever had nobody
slow it down yeah
just have the party
cool me down
I have a Summertime Hobby
take a, take a time boy
take a, take a time boy

take a, take a time boy
take a, take a time boy

intoxicated
mixture pleasure with pain
with pain
I keep you waiting
I keep you waiting
in vein

you think you the man
you gotta must have plan
so .. game
.. full of sex
looking for modern ..
you can't just buy me with champagne

come on closer
and talk a little naughty
coz tonight I am looking for nobody
cool me down
I have a Summertime Hobby
take a, take a time boy
take a, take a time boy
have my word, I never ever had nobody
slow it down yeah
just have the party
cool me down
I have a Summertime Hobby
take a, take a time boy
take a, take a time boy

take a, take a time boy

take a, take a time boy
