

Lydia, All I See

All I see scares me
No one waits...

You will never waste my time, no, no
You will never waste my time, 'cause...

Well, she looks at the doors and turns, says,
"We will always be safe here in this bed
All I see scares me, and no one waits forever."

So come closer, baby
I want to see what you're made of, see what you're made of
'Cause this isn't all we could be
You're not the same, and I'm, I'm not the same and...

No one could ever wait for you
And no one, yeah, no one could ever wait for you
I'll wait for you, love

But you are the never ending sleep
That I love to treat with this medicine
I get from my, my closer friend
But all I see...

So come closer, baby
I want to see what you're made of, see what you're made of
'Cause this isn't all we could be
You're not the same, and I'm, I'm not the same and...
