

Lykke Li, Little Bit

Hands down, I'm too proud for love
But with eyes shut, it's you I'm thinking of
But how we move from A to B, it can't be up to me
'cause I don't know
Eye to eye, thigh to thigh
I let go...

I think I'm a little bit
Little bit
A little bit in love with you
But only if you're a little bit
Little bit, little bit
In love with me

And for you I keep my legs apart
And forget about my tainted heart
And I will never ever be the first to say it
But still I
Yes, you know, I.. I.. I..
I would do it
Push the button
Pull the trigger
Climb a mountain
Jump off a cliff
'cause you know, baby
I love you, I love you a little bit
You would do it, you would say it
You would mean it, that we could do it
It was you and I
Not only I

I think I'm a little bit
Little bit
A little bit in love with you
But only if you're a little bit
Little bit, little bit
In love with me (x2)

Come here, stay with me
Struck me by the hair
'cause I would give anything... anything
To have you as my man (x2)

Little bit
Little bit
A little bit in love with you
But only if you're a little bit
Little bit, little bit
In love with me

I think I'm a little bit
Little bit
A little bit in love with you
But only if you're a little bit
Little bit, little bit
In love with me

I think I'm a little bit
Little bit
A little bit in love with you
But only if you're a little bit
Little bit
Little bit
