Lykke Li, Until We Bleed Wv001b

I'm naked I'm numb I'm stupid I'm staying And if Cupid's got a gun, then he's shootin'

Lights black
Heads bang
You're my drug
We live it
You're drunk, you need it
Real love, I'll give it

So we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts

You wasted your times
On my heart
You've burned
And if bridges gotta fall, then you'll fall, too

Doors slam Lights black You're gone Come back Stay gone Stay clean I need you to need me

So we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts

Now we're bound to linger on We drink the fatal drop Then love until we bleed Then fall apart in parts
