## Lynch Mob, Heaven Is Waiting

Music: Lynch Lyrics: Esposito, Lynch, Brown, Mason

I've been tryin' Tryin' to show to you The way I feel inside It don't make no sense To hide my feelings, no

No time for wastin' Oh there's got to be a way I beg, steal or take The taste of tears You throw my way

Heaven is waiting How can you walk away, yeah (Don't walk away) Don't let me love in vain Don't take your time, girl Don't be late

I've been dyin' Dyin' to tell you how You tear me up inside Just a look from you Could make or break me

Now, do you remember Oh wehn you call my name I got this...chance My dreams won't fade away

Heaven is waiting How can you walk away, yeah (Don't walk away) Don't hurt me, love me, babe Don't take your time, girl Don't be late

Oh no way Don't turn away I can't wait

Heaven is waiting How can you walk away, yeah (Don't walk away) Don't hurt me, love me, babe Don't take your time, girl Don't be late

Heaven is waiting How can you walk away, yeah (Don't walk away) Don't hurt me, love me, babe Don't take your time, girl Don't be late

Heaven is waiting (repeat)
