

# Lynch Pilson, When You Bleed

I'm standing in front of you  
And I can't seem to change  
I still got a lot to prove  
And the vision's still the same

And it feels like  
Blind skin will break  
And it feels like  
Closer to hate

WHEN YOU BLEED- From inside  
Blackened dream- broke and crystallized  
WHEN YOU BLEED- Paralyzed  
And it's all you know- it's all you know  
WHEN YOU BLEED

I'm caught in a shadowlife  
A face without a name  
I'm walking a broken line  
Where the pieces still remain

And it feels like  
Strange lies create  
And it feels much  
Closer to hate

WHEN YOU BLEED- From inside  
Blackened dream- broke and crystallized  
WHEN YOU BLEED- Paralyzed  
And it's all you know- it's all you know  
WHEN YOU BLEED
