

Lynn Anderson, Crying

I was all right for a while I could smile for a while
Though I saw you last night you held my hand so tight
As you stopped to say hello oh you wished me well you couldn't tell
That I'd been crying over you crying over you
Since you said so long left me stand and all alone alone and crying
I thought that I was over you but it's true so true
I love you even more than I did before
Oh darling what can I do for you don't love me and I'll always be
Crying over you crying over you yes now you're gone and from this moment on
I'll be crying crying crying crying yeah crying crying over you
