

Lynn Anderson, Everybody's Reaching Out For S

Everybody's reaching out for someone everybody's knocking at some door
And long before I ever found you you're the one that I was reaching for

Just like the trees along the river bend lift up the branches to the sun above
We spent our lifetime reaching for a friend cause everybody reach someone to love
Everybody's reaching out...

[guitar]

I wanted you since the day my life began
I've heard your footsteps running just beyond my mind
Ever since that moment I've been reaching for your hand
Hoping you'd be reaching out for mine
Everybody's reaching out...
You you're the one that I was reaching for
