

# Lynn Anderson, I Keep Forgettin' That I Forgot About You

I keep forgettin' to not remember you've put you out of my mind  
Never more to be swayin' my many charms  
I keep forgettin' to never think of you oh so much of the time  
How I wish you had stayed here in my arms  
There's no sleep for me no more I stay awake and walk the floor  
I keep forgettin' that we're supposed to be true  
Loneliness is my downfall for some time I almost cry no more  
I keep forgettin' that I forgot about you  
[ steel - guitar ]  
I can't get used to it there's no end to it feeling lonely all day  
Almost I can forget for just about then  
Oh some old memory comes to torture me and I know right away  
That I'll have to forget all over again  
There's no sleep for me...  
Oh I keep forgettin' that I forgot about you
