

Lynn Anderson, I'm Not Lisa

I'm not Lisa my name is Julie Lisa left you years ago
My eyes are not blue but mine won't leave you till the sunlight has touched your face
She was your morning light her smile told of no night
Your love for her grew with each rising sun
And then one winter day his hand led her away
She left you here drowning in your tears here where you've stayed for years
Crying Lisa Lisa
I'm not Lisa my name is Julie Lisa left you years ago
My eyes are not blue but mine won't leave you
Till the sunlight shines through your face I'm not Lisa
