

# Lynn Anderson, I'm Not Lisa

I'm not Lisa my name is Julie Lisa left you years ago  
My eyes are not blue but mine won't leave you till the sunlight has touched your face  
She was your morning light her smile told of no night  
Your love for her grew with each rising sun  
And then one winter day his hand led her away  
She left you here drowning in your tears here where you've stayed for years  
Crying Lisa Lisa  
I'm not Lisa my name is Julie Lisa left you years ago  
My eyes are not blue but mine won't leave you  
Till the sunlight shines through your face I'm not Lisa
