

# Lynn Anderson, It's My Time

Gather round girls you I grew up with my old friends that I used scuff with  
I need your tender words so kind  
You've all had your turn to cry but old friends stood closely by  
Friends of mine stand by me it's my time  
It's my time it's my time it's my time  
It's my time to cry oh oh oh it's my time to cry ah ah ah  
It's my time to cry yeah yeah yeah it's my time

Gather round boys I used to to play house with  
Come here boys I first kissed on the mouth with  
I need you round me at this time  
You've all had your misty eyes but old friends stood by to dry  
Friends of mine stand by me it's my time  
It's my time...  
It's my time...
