

Lynn Anderson, Just Between The Two Of Us

People think it's wonderful our love can be so true
You never say an angry word no matter what I do
And I have so much faith in you I trust you anywhere
But the reason if they only knew is that we just don't care
Just between the two of us let's give up this fantasy
For we no longer care enough to even disagree
Everybody envies us and the way we get along
But just between the two of us we know our love is gone

[guitar]

Wish we could go back again to the days that used to be
We fought a lot but even then I knew you cared for me
Now we get along so well no teardrops ever fall
But there's no love no anything there's nothing left at all
Just between the two of us...
