

# Lynn Anderson, What A Man My Man Is

Goodbye blues I'm not gonna sing you no more  
I finally got my hands on what I've been looking for  
I've found me a man that knows how to keep me eatin' from the palm of his hand  
Talk about sunshine I've got the sunshine man  
Man what a man what a man what a man my man is  
There's not a day when he doesn't say he needs me and loves me  
Man what a man what a man what a man my man is  
He's always around when I'm down the most with two lovin' arms to hold me close  
Man what a man what a man what a man my man is  
[ guitar ]  
Hello rainbow I've finally found your pot of gold  
I finally got my hands on a real live dream I can hold  
I've found me a man that knows how to keep me sittin' up on cloud nine  
Talk about the music I hear it all the time  
Man what a man what a man...
