

# Lynn Anderson, You've Got A Friend

When you're down and troubled and you need a helping hand  
And nothin' oh nothin' is goin' right  
Close your eyes and think of me and soon I will be there  
To brighten up even your darkest night  
You just call out my name and you know wherever I am  
I'll come runnin' to see you again  
Winter spring summer or fall all you've got to do is call and I'll be there  
You've got a friend oh you've got a friend

If the sky above you should turn dark and full of clouds  
And that old north wind should begin to blow oh  
Keep your head together call my name out loud soon I'll be knocking upon your door  
Oh you just call out my name and you know wherever I am  
I'll come running hey baby to see you again  
Oh winter spring summer or fall all you've have to do is call and I'll be there  
Oh ain't it good to know that you've got a friend people can be so cold  
They'll hurt you desert you they'll take your soul if you let them  
Oh but don't you let them  
You just call out my name...
