Lynn Anderson, Your Good Girl's Gonna Go Bad

I've never seen the inside of a barroom or listen to the jukebox all night long But I see these are the things that bring you pleasure So I'm gonna make some changes in our home I've heard it said if you can't beat 'em join 'em So if that's the way you've wanted me to be I'll change if it takes that to make you happy From now on we're gonna see a different me Because your good girl's a-gonna go bad I'm gonna be the swingi'est swinger you've ever had If you like 'em painted up hollered up then you oughta be glad Cause your good girl's a-gonna go bad [steel] I'll even learn to like the taste of whiskey in fact you'll hardly recognize your wife I'll buy some brand new clothes and dress up fancy For my journey to the wilder side of life Because your good girl's... Because your good girl's a-gonna go bad
